

Trewirgie Infants' & Nursery School

W/C 20th Jan 2020

Welcome to our weekly Newsletter. Each week you will have the chance to see what each year group have been up to during the week. Each year group will alternate weekly. This week is Reception's newsletter.

What have Reception been up to?

This week has seen lots of changes in the reception classrooms. Miss Wakeley's room is now a wonderful creative room, Mrs Glyn's an exciting construction class and Miss Carolan's a great role play space. All classes allow the children to access maths, reading and writing in their play. The children are thriving in this new improved environment and have coped so well with all the new routines and changes.

During maths this week reception have been working really hard on their new power maths unit. The children have been using tens frame to help with their counting and linking these skills to writing number sentences.
