SPACE CHASE

Summer Reading Challenge 2019

spacechase.org.uk

Our local library staff have been telling the children how to take part in **Space Chase**, the Summer Reading Challenge 2019.

All they have to do is read six library books and visit the library regularly over the summer, collecting special incentives along the way.

Please encourage your children to visit the library and sign up to see the difference the Summer Reading Challenge makes to their reading skills and confidence.

We will be celebrating all children who take part at the beginning of the new school year.
